STRICTLY SPEAKING

"The Supreme Court ruled in 1973 that pornography in itself does not constitute obscenity. Obscenity laws are antiquated. It's very difficult to get 12 people on a jury to convict someone on pornography. Pornography is the purest form of art there is. And so if you want it out of magazines, if you want it out of movies, fine–but how about the thousands of art galleries around the country that display pornographic art?"

–Larry Flynt

It is with great sadness that I write this editorial. Our Editor and Publisher, mentor, leader and friend, Larry Flynt, has passed away.

Larry was a renegade, bold and fearless. He stood up to critics to champion free speech and uphold the First Amendment. And he paid a heavy personal price for it.

His example inspired us all throughout the years. He was a very generous boss. He encouraged us to get engaged, fight for our beliefs and stand up for our freedoms.

TABOO Magazine would not have been possible without Larry. When TABOO premiered in July 1998, no one else would touch the subject of BDSM lifestyle in adult publishing. Under his tutelage, we had the freedom to express our written views and depict explicit lifestyle images of consenting adults doing whatever the hell they wanted: in bondage, leather, diapers, etc.

We continue on, in his honor and expectation, to bring you the finest fetish sex magazine ever published. We are forever grateful for his leadership and lifelong fight for freedom of speech.

We sure miss him.*—Cynthia Patterson, Creative Director*

When did you start fetish modeling and under what circumstances?
I've been doing pin-up modeling for about two years now and initially started because I was performing burlesque! Through that community, I found fetish modeling and I think this would be my first real dive into that world.

How did you feel the first time you took your clothes off for the camera?
I've always loved being naked or dressed in revealing clothing! I think the human body is so beautiful and I absolutely love to show off. I was definitely a little nervous the first time though. Fortunately, I've always gotten to work with such amazing photographers who make me laugh and that really is the best part of shooting naked!

What fetishes do you like personally?
I believe most of my fetishes stem from my love of aesthetically pleasing things. My first love was vintage lingerie and corsets. As I gained more experience, I found a love for pet play and anything cute and adorable! Cat ears? Cute tails? Pink lingerie and rope? Sign me up!

Do you wear fetish clothing in public? What are your favorite items?
I absolutely adore wearing vintage lingerie underneath my "normal" clothes. Its such an exciting secret for me. I love the feel of full-fashioned stockings on my legs.

Do you get public attention, wanted or otherwise, when dressed in fetish gear?
I think one of the amazing things about society now is that fashion is so exciting and varied that I feel people barely bat a eye when you wear something out of the ordinary. However, when I do get a sideways glance, I just smile and know I must look extra amazing that day!

Are you dominant, submissive or a switch?
I'm very naturally submissive in my daily life, but, I love to be dominant with the right partner!

Who first taught you about fetishism?
Old movies really piqued my interest in vintage lingerie when I was younger. In terms of fetish and BDSM lifestyle, I have a dear friend who first opened me up to this exciting world and I haven't looked back since.

Do you like rough sex?
Absolutely! I think people can equate rough sex with sex that lacks love. When there is mutual respect, good communication and trust, rough sex can be such an amazing experience! I love the duality of a rough hand with a gentle kiss.

Have you ever been pissed or pissed on others?
I haven't personally but I have been lucky enough to bear witness to some pretty amazing scenes!

You pissed on camera today?
Yes I did, into a glass pitcher! At first it wouldn't come out, I guess I was pee-shy. I usually pee in the bathroom! lol!

Have your sexual boundaries changed over time? Are there things you wouldn't do before that you like now?
I've learned to remove shame from my feelings around sex and it has opened me up to such a beautiful world and community. I used to be quite shy and uncertain, but now the thought of being tied up and suspended in front of a room full of people is amazing to me!

Is there anything you would like to try sexually or something kinky that you have not done yet?
I'd love to tie someone up! I've been tied a few times myself and loved the experience so much that I started learning a few ties on myself. Hopefully, one day, I'll be good enough to give someone else the amazing experience I've been given.

What is the most requested thing you are asked to do by your fans/followers? Any outrageous requests?
I've been blessed with such amazing and respectful fans that I actually don't usually get too many outrageous requests. I'd say anything to do with my feet is usually a common one though. I mean, I get it, they're so cute!

Why did you want to shoot for TABOO Magazine?
I've been a part of my local fetish community for a few years now and it is truly just a part of who I am! I also wholeheartedly believe in removing the stigma around sex and fetish. It's human nature and it's so much fun!

What kind of porn do you prefer? What do you search for on the internet?
I absolutely love erotica! I'm certain that stems from being a total book nerd in my younger days and more than a few trips down the fan fiction road.

Are you in a fetish lifestyle partnership? Would you like to be?
I have been in the past and I find it so rewarding and intimate. I'd love to explore that again with partners in the future.

What was your favorite part of shooting for TABOO?
My favorite part of the shoot was getting to work with Ellen, she's such an amazing photographer! We had so much fun giggling and I genuinely enjoyed all of the fun toys I got to play around with.

Has the Covid-19 pandemic changed your sex life? If so how?
Unfortunately, yes, it just isn't safe to see most of my friends from before the pandemic. I am lucky enough to get to safely have a little taste of the life I was having previously. Besides, what could be better than all this denied gratification?

I already feel a little urgent when we start. He takes his time winding the hemp strands up and down my abdomen until the pressure on my bladder is equalized from inside and out. I hear myself whine, hoping to distract myself with a mouthful of cock. At least he grants me that, and I work extra hard to please. He just splays me out with the ropes and makes me put on a performance for him, spreading my lips to show him my aching peehole. I squirm in the restraints, trying not to pee myself, even when he starts to pry my rectum with the probing phallus. It's not easy to relax my ass and clench my urethra at the same time, but I can be a stubborn little bitch when I want.

The big, powerful vibrator lashed to my thigh thumps away on my clit until I face a new dilemma: whether I need to come or piss first. Naturally, the choice isn't left up to me. I'm pinioned, writhing in uncontrollable spasms as the relentless machine pushes me past the howling point. And then I have to go really bad—now!

I beg. I plead. I babble. Finally the ropes come off and I sprint for the toilet, where I come again from sheer relief while the yellow tide surges against the porcelain.

When I get back to that BJ, we'll see how long he can hold out.

When did you start fetish modeling and under what circumstances?
Started fetish modeling at 18 years old working at fetish events in Phoenix, AZ. Got really interested in the whole scene and began doing fetish performances as well.

What fetishes do you like personally? What do you fetishize in your life?
Personally, I am incredibly submissive and love being a rope bunny, electro play, temperature play, hot wax pouring, and sensory deprivation! I love integrating small bits of fetish work into everything!

Why did you want to shoot for TABOO Magazine?
I thought it would be an amazing opportunity to work with an incredible rigger, amazing photographer, and shooting for such a great magazine is such a cool opportunity to connect with other fetish people!

Do you wear fetish clothing in public? What are some of your favorite items?
Sometimes yes. I often wear collars around town because I like the mindset they put me in. I'm also a professional performer and wear all kind of fetish wear doing that from leather to latex to tape.

What kind of porn do you like? What do you search for on the internet?
I'm definitely a lesbian porn kind of girl. I'm honestly more inclined to read erotic literature than watch porn. I like to imagine people I like doing the things I'm reading about.

Do you like porn magazines?
I'm not personally a huge purveyor but I think they're amazing and I'm so glad they keep on trucking even with changing times!

Are you dominant, submissive or a switch?
I am a switch but I lean almost wholly submissive naturally. But I can switch when that is desired by my partner!

Have you ever been pissed or pissed on others?
Yes, both! I had a partner that was really into it a few years ago so we did some exploring together. It's not really a big thing for me but I'm willing to do all kinds of things with partners that enjoy other interests!

Have your sexual or BDSM boundaries changed over time? Are there things you wouldn't do before that you like now?
Oh definitely! I feel like my sexual self is constantly evolving. Even daily I might be more into something and then the next day not be interested and not come back to that for months again. I'm very fluid.

Are you in a fetish lifestyle partnership? Would you like to be?
Currently, I am not. My partner and I engage in some kink in the bedroom constantly but I am not really a lifestyle kind of person. I really like my freedom to constantly shift and I feel like a lifestyle partnership often finds what works and doesn't evolve as much as I often do.

What was you favorite part of shooting for TABOO?
I loved getting to do so much rope work with a female rigger! It really made for such a fun and comfortable dynamic to shoot in.

How has the Covid-19 pandemic changed your sex life?
So much! For the first few months, I wasn't able to see my partner at all. It was tough! But, it made me reevaluate what I want from partners and how to set quality boundaries.

"I was told to hold my piss until he said it was time to let it go. I got whipped and paddled so hard that day. The ropes were really digging in. My bladder was so full. When I finally got to pee, it was such a huge relief, I felt so good afterward."

IN THE NEXT ISSUE OF HUSTLER'S TABOO®

Submissive Marykate tries so hard to please Domina Majesty Mae. She keeps her boots tongue clean, polishes her rubber and gives lots of attention to the many dildos Majesty Mae collects. Mae puts Marykate through the paces before her final reward, the privilege of snuzzling up to Mae's private parts. Ooh la la!

Plus, more BDSM beauties, pissers, a kinky, hardcore double-penetration and much more.
See you next time. Stay safe, play safe.
